Its lightweight texture absorbs quickly without leaving a greasy residue, making it ideal for daily use, morning and night. Unlike harsh treatments, Yasumi Azelaic Acid Cream is formulated to be kind to sensitive skin, minimizing the risk of irritation and promoting a comfortable application experience. You'll notice a visible improvement in your skin's texture and tone over time, with a reduction in breakouts and a more even complexion.

Beyond its blemish-fighting capabilities, Yasumi Azelaic Acid Cream also contributes to long-term skin health.
