This Niacinamide Azelaic Acid Duo is a game-changer for those seeking a comprehensive solution to common skin imperfections. Niacinamide, a powerful form of vitamin B3, helps regulate sebum production, minimize the appearance of pores, and improve skin barrier function. Meanwhile, azelaic acid, a naturally occurring dicarboxylic acid, effectively combats acne-causing bacteria, reduces inflammation, and gently exfoliates to reveal brighter, clearer skin. Together, they create a powerful synergy that addresses multiple skin concerns effectively and gently.
